WP	TITLE
1	Management costs
2	Information and publicity
3	Mainstreaming efficient irrigation and drainage practices
4	Cooperation with Water and Land Reclamation Organisations and Environmental Agencies
5	Demonstration activities and applied research
6	Activities outside of eligible area

Output Indicators

Code	Title	Measurement unit	Target
O0521	Number of supported cross border cooperation structures and networks in the field of environmental technologies	No	1

Result Indicators

Code	Title	Measurement unit	Target
R0505	Level of capacity of regional and local authorities and public utilities operators to integrate environmental friendly processes and technologies in their operations with special attention to the coastal and maritime zones	%	10

WP1 Management Costs

Managerial Progress (WP1)

- 1. Proposal submission**
- 2. Optimization process**
- 3. Application form and Justification of budget**

- Current version 5.0

- 4. Subsidy Contract and Partnership agreement**

- 4 versions of the Subsidy Contract
- 2 versions of the Partnership agreement

- 5. Anagraphic forms**

- 2 versions

- 6. Milestones & Procurements' Plan**

- Initial version and 2 updates

- 5. 2020 time (up to 30/9/2020) and budget modification request (approved)**

- 6. 2020 COVID19 time (up to 31/12/2020) and budget modification request (approved)**

To come ...

- **Probable new time / budget modification procedure**
- **Closure Procedure**

9. Management meetings

- 4 meetings
 - [Kick-off management meeting](#) (web)
 - [2nd management meeting](#) (web)
 - [3rd management meeting](#) (web)

- **4th meeting Nov 2020 (web)**

10. Progress reports

- 5 reports – **next 6th progress report (7-12/2020)**

11. First Level Control

- All partners have appointed FLCs

Total budget: **901.477,98€**

Total expenditures until September 2020: 756.877,36€ (**84%**)

Forecast until 31/12/2020: **91-93%**

Certified expenditures until today: 617.287,48€ (**68%**)

Forecast until 31/12/2020: **80-85%**

Tables and diagrams regarding

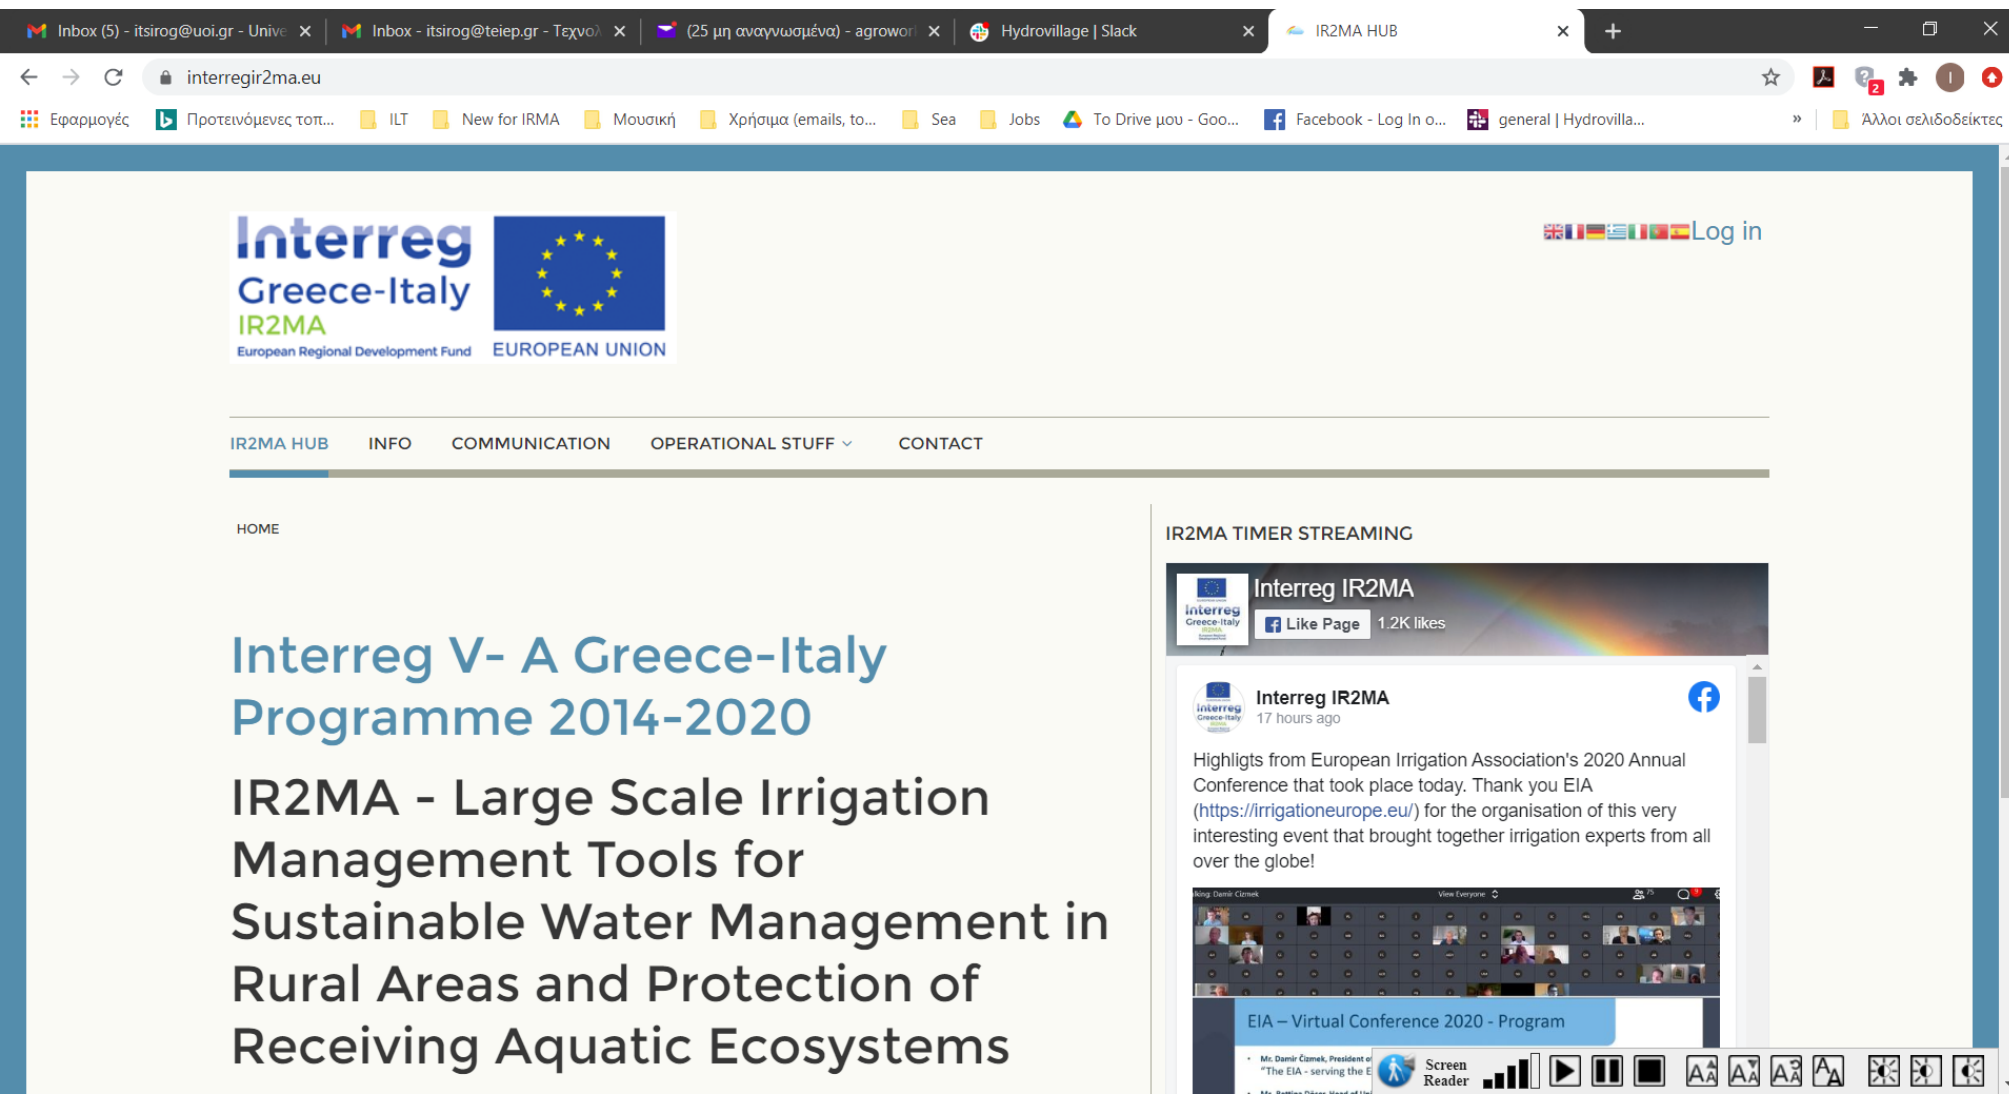

state of the project regarding level of the expenditures and forecasts

(will be presented by Mr. D. Maretas)

WP2 Information and publicity

<https://www.interregir2ma.eu/>

The screenshot shows a web browser with multiple tabs open, including 'Inbox', 'Hydrovillage | Slack', and 'IR2MA HUB'. The address bar shows 'interregir2ma.eu'. The website header features the 'Interreg Greece-Italy IR2MA' logo and the European Union flag, with a 'Log in' button and flags for various countries. The navigation menu includes 'IR2MA HUB', 'INFO', 'COMMUNICATION', 'OPERATIONAL STUFF', and 'CONTACT'. The main content area has a 'HOME' link and a large heading: 'Interreg V- A Greece-Italy Programme 2014-2020'. Below this is the text: 'IR2MA - Large Scale Irrigation Management Tools for Sustainable Water Management in Rural Areas and Protection of Receiving Aquatic Ecosystems'. On the right side, there is a section titled 'IR2MA TIMER STREAMING' featuring a Facebook post from 'Interreg IR2MA' dated '17 hours ago'. The post text reads: 'Highlights from European Irrigation Association's 2020 Annual Conference that took place today. Thank you EIA (https://irrigationeurope.eu/) for the organisation of this very interesting event that brought together irrigation experts from all over the globe!'. Below the text is a video player showing a virtual conference with multiple participants in a grid view. The video title is 'EIA - Virtual Conference 2020 - Program'. At the bottom of the video player, there are controls for volume, play/pause, and other video functions.
